Hi Mark, just tried to call to see if you'd like to talk through the changes – I suggested some edits, was not at all trying to change the substance or weaken the comment but was trying to track the legal distinction between cleanup and restoration a bit more clearly. Sounds like you might not be in until next week. If you'd like me to set up a call with you, me and Amy before then, please let me know, I'll be happy to do that. I'm in all week, have a meeting today at 11:30 but otherwise free for the most part. Amy is visiting her Mom in Florida, but I'm sure we can find a time that would be good for all of us. I think the memo will be signed this week ... thanks!

Amy,

There appears to be several edits from draft 4 to draft 5 in my comments (reading Mikes comments). They do change the intent and I feel weaken the comment. I'm not sure where the edits came from?

This version incorporates Charles comments. I added one sentence in the Policy section paragraph on the CDF based on comments from Ed Barth. I'm not wedded to the location of the sentence. It doesn't really fit with the content of the paragraph but it didn't really fit well elsewhere. Please let me know what you think.

Draft 5 is now heading to Lois for grammar and style editing.
